

Central Plains Youth Ministry

News Flash

Pastors and church secretaries, please give this to the youth sponsors AND youth Sunday School teachers.

Want to do a service project but don't have the funds?

The Central Plains Outreach & Service Committee has set aside \$1000 to help member congregations sponsor service projects. To qualify, a group must demonstrate financial need, and the service must be done within the Central Plains region. The group receiving the funds is encouraged to connect with another Central Plains congregation during the trip. The deadline for applications is April 1, and the application and more information can be found at www.centralplains.mennonite.net.

Looking for Sunday School curriculum or a Bible Study?

I've attached two lists of recommended Bible studies for Mennonite youth, a list of booklets and a list of videos.

As always, feel free to call me with your questions about being a youth sponsor or Sunday School teacher!
