Supervision

Sponsors are responsible for the youth they bring.

Small group time

After each worship service, there will be time for youth groups to get together to reflect on the worship and pray. We will give you discussion questions based on the worship services. You will have 20-30 minutes, and may take as much or as little of that as you wish.

Evening reflection & prayer time

Sponsors will be given a set of questions for reflection and prayers for bedtime. These are for you to use as a group in the cabin or lodge just before you go to bed. Youth and their sponsors of the same gender will be grouped together for lodging.

Electronics

You are encouraged to have a policy regarding mobile phones and other electronic gadgets for your group. Some possibilities are 1) leave them in the room or with the sponsors, 2) allow kids to keep them with the understanding that sponsors will take them if they are used during worship or small group time. Do what works for your group, but please be clear with youth that the point of the weekend is to be present and to build relationships at Youth Escape.

Special food

If you have youth with special diets such as gluten-free or vegetarian, you/they may bring food along; there is a refrigerator to store it in.

Lodging

Everyone will have a bed with a mattress. Bring your own bedding. Youth and their sponsors will be grouped together for lodging. Girls and women will be on one floor and boys and men will be on another. All lodging is air conditioned.
